

## What's Happening in the Neighborhood this Weekend:

The Milwaukee Journal Sentinel Sports Show is this weekend (Friday, March 7th—Sun, March 9th)! Find it all at State Fair Park for the 84th year of the Sports Show. During three jam-packed days, everything outdoors will be celebrated indoors! There's something for all ages and for every outdoor sports enthusiast, including those who love fishing, hunting, camping, kayaking, boating, hiking, cooking and more.

**Friendly Reminder:** When you need assistance from our IT or Maintenance Departments, PLEASE contact the Front Desk. A ticket will be created so that they can serve you as quickly as possible. Do not leave paper messages for them by their office doors. Thank you for your cooperation.

The poster features a central illustration of a diverse group of people (a man, a woman, a child, and an older man) standing together. Surrounding them are various medical and health-related icons: a heart with a pulse line, a blood bag, a syringe, a first aid kit, a bandage, and a pill. The background is light blue with a subtle grid pattern.
