Important Announcements

It's that time of year again when we begin sprucing up the exterior grounds of MCH. As you may have noticed, dead and dying brush and trees have already been removed from the courtyard and surrounding areas of campus.

Please note that the timing of landscaping work is largely dependent on the availability of the landscaping team and weather conditions. If there are loud noises (chainsaws and mulching) we will work better with the landscaping crew and notify you. We appreciate your patience as we work to refresh and improve the campus grounds. Spring is in the air!

Thank You for a Wonderful Mardi Gras Celebration!

In addition to a fun and festive evening, our annual Mardi Gras fundraiser was a fantastic success!

Thank you to everyone who joined us in supporting the cause! Whether you attended, donated, volunteered or cheered us on, you helped make the evening truly special! Your enthusiasm and generosity allow us to continue growing and supporting our organic farm. If you're interested in

learning more about ways to support Clare Gardens or our MCH community, contact Amy O'Connor at 414-220-3214. Thank you!
