*Did You Know?*

We've had our share of April showers so far, why not celebrate the flowers of spring! Here are a few ways you can do that this weekend.

Mitchell Park Domes presents, "Bees! A Spring Floral Show." At the spring floral display in the Show Dome, you'll journey through the landscape to meet the endangered Rusty Patched Bumblebee and other native Wisconsin bees. Discover the vital role these pollinators play in giving life to our gardens and ecosystems. The floral backdrop includes hydrangeas, tulips, daffodils, and lilies. Deepen your

understanding of how to help bees thrive in your own backyard. Step into their world and find that you've "pollen" in love with bees!

Support a great local business while adding fresh flowers to your apartment! Visit the 414loral Studio every Saturday for our Build Your Own Bouquet Bar (BYOBouq)—no reservations required. Choose from a curated selection of seasonal stems and create a bouquet that's uniquely yours. Pricing is per stem (\$2-\$9), so you can build at your own pace and price point. 414loral is located at 1739 N Martin Luther King Drive, and you can BYOBouq from 10:00AM - 1:00PM.
